Plan Providers

Our website, www.bcbsfedental.com, has a sophisticated provider search tool that allows you to select dentists according to a flexible set of criteria including location, proximity and specialty. Our online provider search directory is updated weekly and is available on a 24/7 basis. You may also contact us at 1-855-504-2583 for the names of participating providers or to request a provider directory.

When you make your appointment, please advise the dentist office that you are enrolled in the BCBS FEP Dental plan and wish to use your in-network benefits. This will also serve to confirm that the dentist is a BCBS FEP Dental provider. **Note:** BCBS FEP Dental providers may work out of several locations, be sure to check that any location that is not listed on our online provider search tool is participating to ensure you receive in-network benefits.

Also, be sure to give the provider your FEHB information (if applicable).

You do not have to select a primary care dentist to receive benefits. You are free to choose the dentist you want for your dental care. However, your dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your dentist is not an in-network provider.
