General Services Notes:

- Deep sedation/general anesthesia and intravenous sedation are covered when provided in conjunction with covered surgical procedures. The services must be rendered by a dentist licensed and approved to provide anesthesia in the state where rendered.
- Deep sedation/general anesthesia and intravenous sedation are covered when determined to be medically or dentally necessary for documented handicapped or uncontrollable patients or justifiable conditions.
- In order for deep sedation/general anesthesia and intravenous conscious sedation to be covered, submission must include the procedure for which it was necessary.
