Section 3 How You Obtain Care**

In-Network

When you use a BCBS FEP Dental network provider, benefits are provided at the in-network level. You are responsible only for covered charges up to our Maximum Allowed Amount per procedure. You are not responsible for the difference between our Maximum Allowed Amount and the billed charges. BCBS FEP Dental's network consists of independently credentialed and contracted providers. To find a dentist in your area go to www.bcbsfedental.com. You may also contact customer service at 1-855-504-2583.

Note: The BCBS FEP Dental provider network may be different from the FEP medical network. Be sure to locate an in-network provider on the web site provided above.

Only providers listed with their corresponding locations are in-network. Not all dentists at a location may be in-network and the same provider at a different location may not be in-network. It is your responsibility to ensure that the listed provider is active and in-network at the time and location at which you receive services.
